Olympiad Scoring Breakdown:

- For First Stage - An additional 12 marks will be awarded to students who complete a minimum of 20 worksheets before attempting the Olympiad. These questions will constitute the "LQ Champs Section"

- The right answer for the normal questions will fetch 4 marks while the right answers for the "LQ Champs Section" questions will fetch 8 marks

- For Class Sr KG to Class 2, there will be NO negative marking for incorrect attempts. Students from Class 3 onwards WILL HAVE 25% negative marking for **INCORRECT ANSWERS**

- If two students have scored the same marks, the student who has scored higher in the Champ section will receive the better rank. If both the overall and Champ section scores are the same, the students will share the same rank

Grades	Number of Questions	Marks for Olympiad	Marks for 20 worksheets	Total Marks
Sr KG	25	120	12	132
Grade 1	30	144	12	156
Grade 2-9	35	168	12	180

Certificates & Results:

- Participants who secure a rank in the Olympiad will receive a hardcopy certificate

- After the results are announced, you will also get a detailed performance analysis

- Top performers will have the opportunity to qualify for the Final Stage of which is optional and chargeable

We wish all participants the very best of luck!
