Welcome

ISSUE 37 December, 2024

“ Greetings of the season to all our readers!

- ★ In the formative years of a child's life, the foundation for future success is laid not just in academics but in nurturing a healthy and vibrant mind. Early mental development plays a pivotal role in shaping a child's ability to think critically, solve problems, and adapt to a rapidly changing world.
- ★ At Jain Public School, we believe that every child is unique and full of potential. Our mission is to create an environment that stimulates curiosity, encourages creativity, and builds resilience. Through interactive learning, collaborative play, and exposure to diverse experiences, we aim to cultivate not only knowledge but also emotional intelligence and social skills in our young learners.
- ★ Recent studies highlight the importance of early mental stimulation in fostering lifelong learning habits. With this in mind, our educators focus on designing activities that engage young minds and ignite their imagination, while also encouraging values like empathy, discipline, and teamwork.
- ★ As we work together to nurture the leaders of tomorrow, I invite you to be an integral part of this journey. Let us empower our children with not only the tools to excel academically but also the mindset to face life's challenges with confidence and grace.
- ★ Thank you for your trust and partnership in this endeavor. Together, we can make a profound difference in the lives of our students.
- ★ We are always interested in hearing your views. We invite articles on the topic '**Celebrating Student Achievements**' for our next issue of the newsletter. If you have any comments about the newsletter, or if you'd like to tell us about what's happening at school, please email us at principal@jpschennai.org.

The Power of Early Mental Development

Building Strong Foundations for Lifelong Success

Early childhood is a magical phase in a child's life—a time of immense curiosity, rapid learning, and unparalleled growth. It is during this critical period that the foundation for mental, emotional, and social development is laid. By focusing on early mental development, we not only prepare children for academic success but also equip them with the tools to navigate life confidently and compassionately.

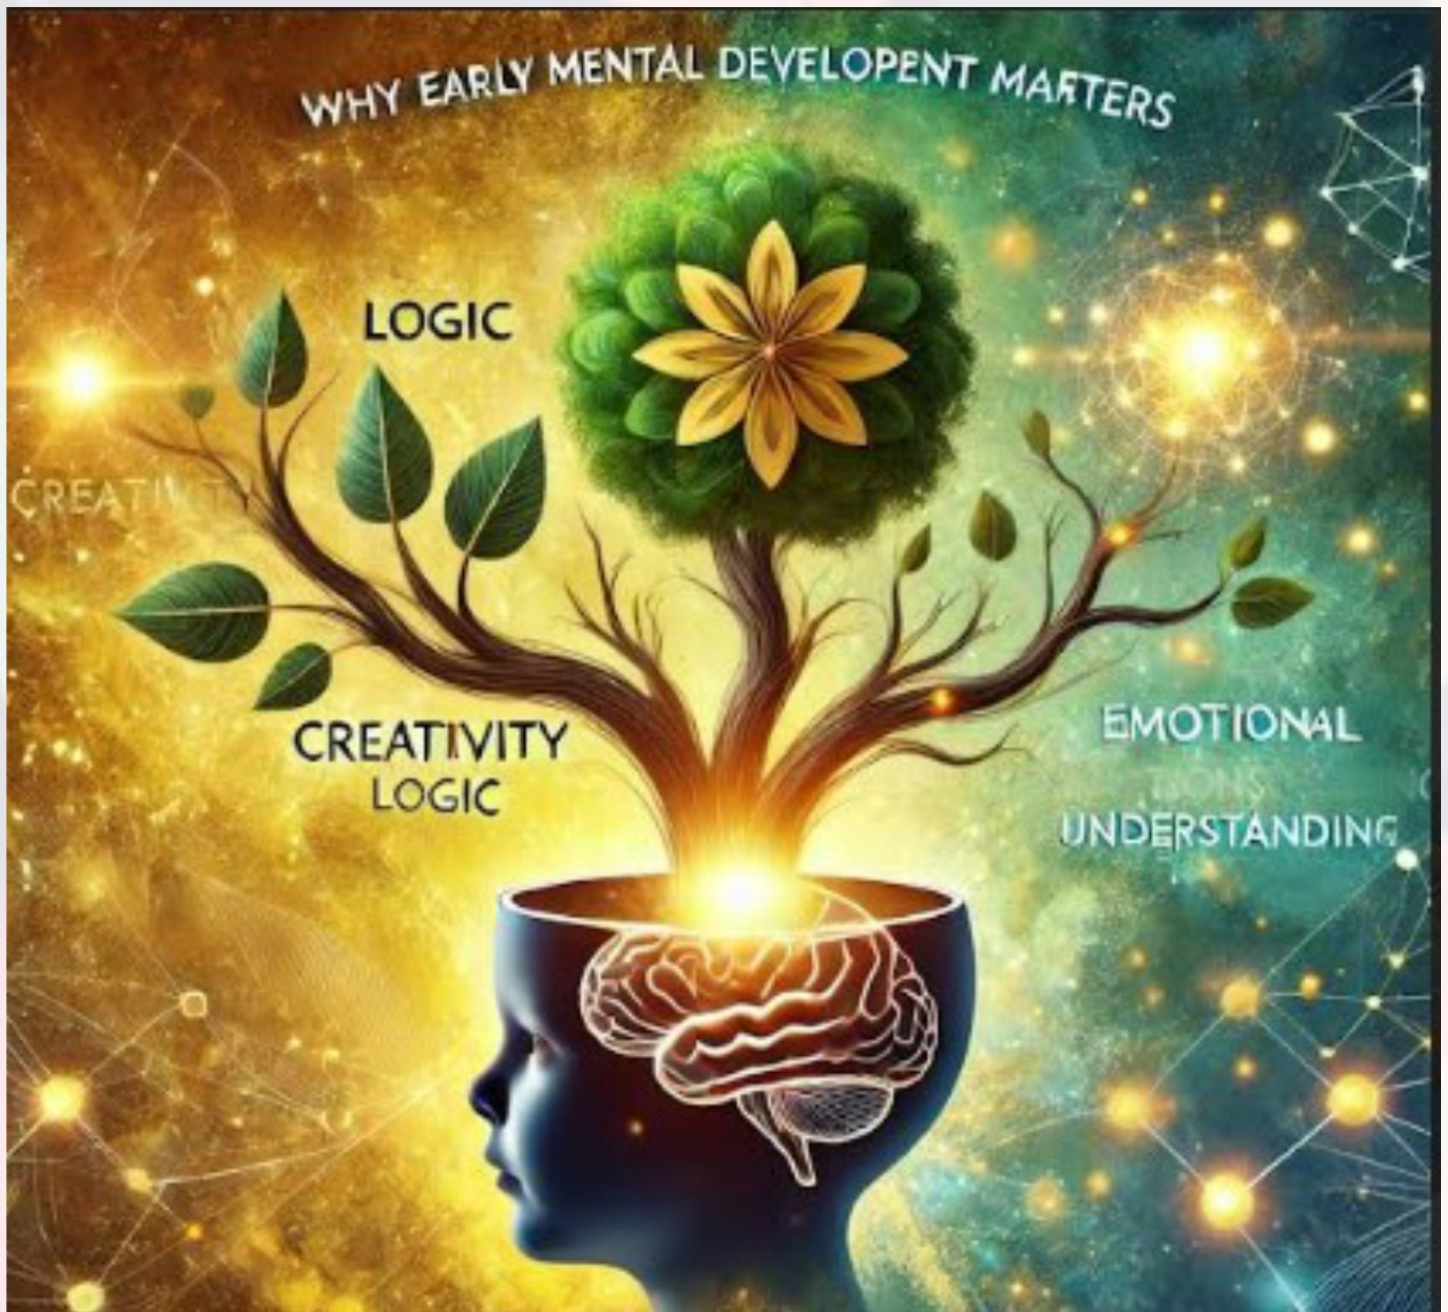

Understanding Early Mental Development

Early mental development refers to the cognitive, emotional, and social growth that occurs during a child's formative years, typically from birth to age eight. This stage is characterized by significant brain development, where neurons form connections at a pace unmatched at any other time in life. These connections shape a child's ability to think, learn, and interact with the world.

Why Early Mental Development Matters

Early mental development refers to the cognitive, emotional, and social growth that occurs during a child's formative years, typically from birth to age eight. This stage is characterized by significant brain development, where neurons form connections at a pace unmatched at any other time in life. These connections shape a child's ability to think, learn, and interact with the world.

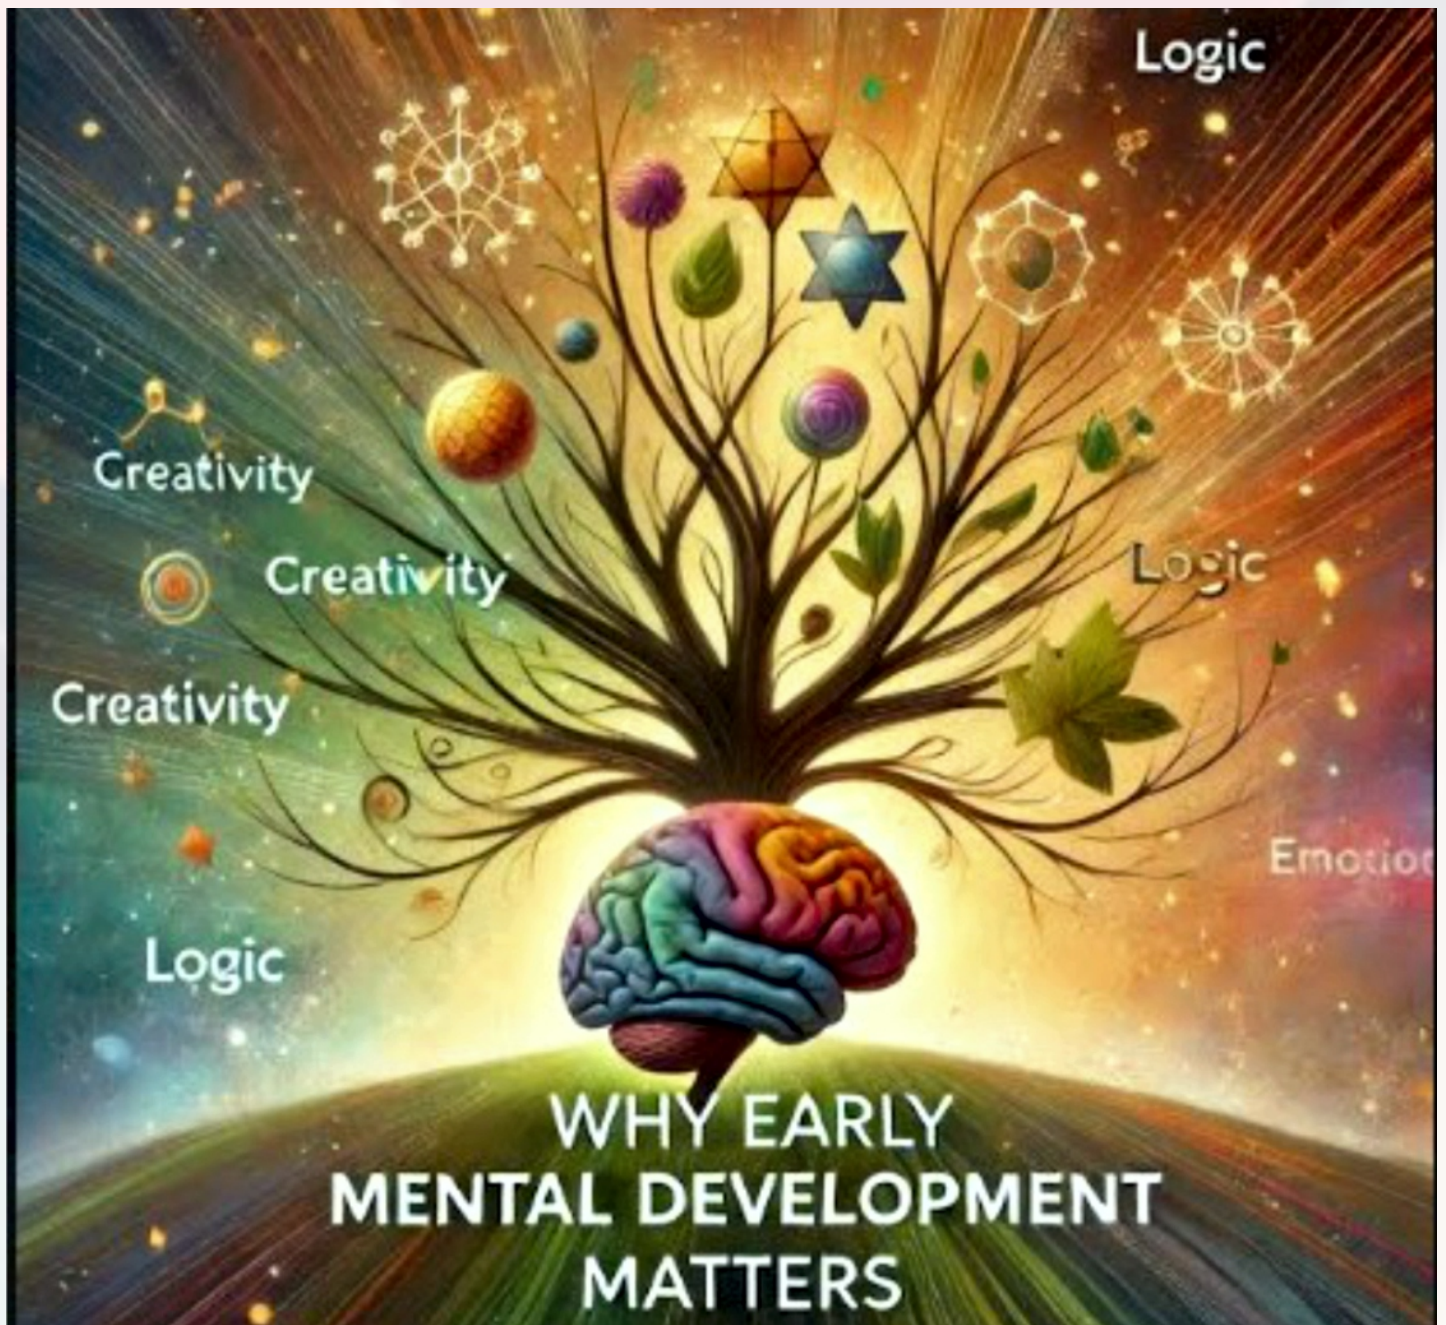

Nurturing Young Minds

Encourage Curiosity: Providing opportunities for exploration and discovery helps ignite a love for learning. Activities such as storytelling, puzzles, and hands-on experiments stimulate cognitive growth.

Create a Safe Environment: A nurturing and secure environment fosters emotional development, allowing children to express their feelings and build self-confidence.

Emphasize Play: Play is a powerful tool for learning. Through games, role-playing, and group activities, children develop problem-solving abilities and teamwork skills.

The Role of Parents and Educators

Parents and educators are partners in the journey of early mental development. By fostering open communication, setting positive examples, and encouraging active learning, adults can shape a child's outlook and abilities. Simple activities, like reading together or engaging in creative projects, can make a significant impact on a child's growth.

The Long-term Impact

Children who receive strong mental stimulation in their early years are more likely to excel academically, exhibit higher self-esteem, and adapt better to challenges. They grow into adults who contribute meaningfully to society and lead fulfilling lives.

A Shared Responsibility

Early mental development refers to the cognitive, emotional, and social growth that occurs during a child's formative years, typically from birth to age eight. This stage is characterized by significant brain development, where neurons form connections at a pace unmatched at any other time in life. These connections shape a child's ability to think, learn, and interact with the world.

Educators' CORNER

Jps excited to share a wonderful milestone with all of you. Our principal interacting with the esteemed **Deputy Chief Minister of Malaysia**. During this significant occasion, he had the honor of signing a student exchange program agreement with Malaysia in his esteemed presence. Together, let us continue to foster global learning opportunities for our young minds.

Jain Public School is proud and delighted about the teacher, **Ms Vidya Sriram**, receiving the **Acharya Mani Award** from the **Chennai Sahodaya School Complex** because it recognizes her outstanding contributions to education, her commitment to student growth, and her dedication to the teaching profession. This prestigious accolade highlights her ability to inspire students, foster academic excellence, and uphold the school's values of holistic education. Such an honour also reflects positively on Jain Public School, showcasing the institution's ability to nurture exceptional educators and promote a culture of excellence

JPS Sapin de Noël

A night to remember, a spectacle so fine,
JPS event shone bright, with talent divine.

Carols filled the air, with harmony so sweet,
Skit performers dazzled, with drama to greet.

Melodies on the keys, a symphony so grand,
Film makers showcased, their creative hand.

Dancers sizzled on stage, with moves so bold,
The audience cheered on, with spirits unfold.

But then, a surprise, that stole the show,
The Principal himself, as Santa, let it go!

He danced on the floor, with rhythmic delight,
Beat boxing joined in, and the crowd ignited bright!

The room was electric, with joy and cheer,
As Santa-Principal grooved, with a gear!

A huge success, a night to share,
JPS event sparkled, with joy beyond compare.

Kudos to the team, for a job so well done,
A memorable evening, forever won!

Pediatric Health Discussion Panel

What should I expect from my 10 -11 year - old boy?

What vaccination to be given at this stage?

Vaccinations at 10-11 Years Old : **Tetanus, Diphtheria, and Pertussis (Tdap):**

A booster dose is recommended if not already given. **Human Papilloma virus (HPV):**

The first dose of the HPV vaccine is typically given around this age to protect against certain cancers.

Meningococcal Vaccine (Men ACWY):

Protects against meningitis and bloodstream infections. Flu Vaccine:

An **Annual Influenza Vaccine** is recommended, especially during flu season.

Jain Public School proudly reaffirms its commitment to excellence in education and holistic growth. This milestone reflects our dedication to shaping future leaders with integrity and knowledge. Together, let's nurture bright minds for a brighter tomorrow!

"Proud Moment for JPS!"

Our young champion, **John**, has emerged victorious in the **Yonex Under-11 Tamil Nadu Open Tournament**, organized by **Fit India at Sai Sports, Chrompet!** We congratulate **John** on his outstanding achievement and thank our dedicated teachers, coaches, and parents for their unwavering support!

"Congratulations to our young achievers!"

We're thrilled to announce that our **JPS Dinamalar PATTAM** winners have been felicitated and featured in today's edition of Dinamalar! Kudos to our talented students on this outstanding achievement! We're proud of you!

JPS with shimmering bliss

1. "We're beaming with pride! **Naveen Kumar of Grade 8** wins Renowned Shooter title at **67th Nationals Shooting Championship Competition!**
2. Our supportive ecosystem, experienced coaches & state-of-the-art facilities motivated him to shine. Congratulations, **Naveen!**

"We are proud to announce that our Young sports enthusiasts participated in the **Athletic Inter School Championship**, organized by **MK School of Athletic & Arnon Sports Centre**, and achieved remarkable success. Our talented athletes secured **3 gold medals, 2 silver medals, and 2 bronze medals**. Congratulations to our dedicated students and coaches for their hard work, determination, and outstanding performance."

We are overjoyed to announce that **Madhan Kumar**, a talented **3rd standard student**, has emerged victorious, clinching the **1st Place Gold Medal at the prestigious State Level Boxing Championship!** held at **Athipattu!** Madhan's remarkable achievement is a testament to his dedication, perseverance, and passion for boxing. His hard work and determination have paid off, and we couldn't be prouder! Congratulations to Madhan Kumar on this outstanding achievement! You've made your family, friends, and JPS community proud!

1. We are happy and proud of our student **Master Elandhthamizh Grade IX** for winning the cash prize in the Drug-Free Marathon held yesterday.
2. This achievement is not just a testament to the student's hard work, dedication, and perseverance but also a reflection of the values we uphold at **Jain Public School**. By participating in such an impactful event, our student has set a remarkable example for peers, showing the importance of leading a healthy, drug-free lifestyle.
3. Winning the marathon represents more than just crossing the finish line; it symbolizes resilience, commitment, and the ability to rise above challenges. It also highlights how the values instilled in our students through a holistic education translate into real-world achievements and contributions to society.
4. This victory has filled our school community with pride, as it reinforces our mission to nurture not just academically excellent individuals but also socially responsible citizens. We wholeheartedly celebrate this success and encourage all our students to continue aspiring for greatness while making a positive impact in the world.

Dear JPS Families , It gives us immense joy to share a moment of pride for JPS! Our school has secured the Runner-Up position in the CBSE Cluster Soccer Match under the U-14 category. This remarkable achievement marks our first milestone in football, a testament to our students' hard work and passion. We proudly affirm that JPS is fostering an environment where students are not just excelling in academics and sports but are also growing into globally-minded individuals, prepared to take on the challenges of the future with confidence and grace.

Lakshitha, the pride of JPS, had the privilege of striking a conversation with the legendary **Musical Maestro Ilayaraja**. This extraordinary encounter underscores Jain Public School's mission to create future maestros by nurturing musical intelligence and artistic expression in its students. At JPS, music is not just an art form but a vital tool for holistic development, fostering creativity, discipline, and cultural appreciation. Through its dedication to cultivating talent and passion, JPS aspires to shape the next generation of musical legends.
