# Welcome

ISSUE 24 October 2023

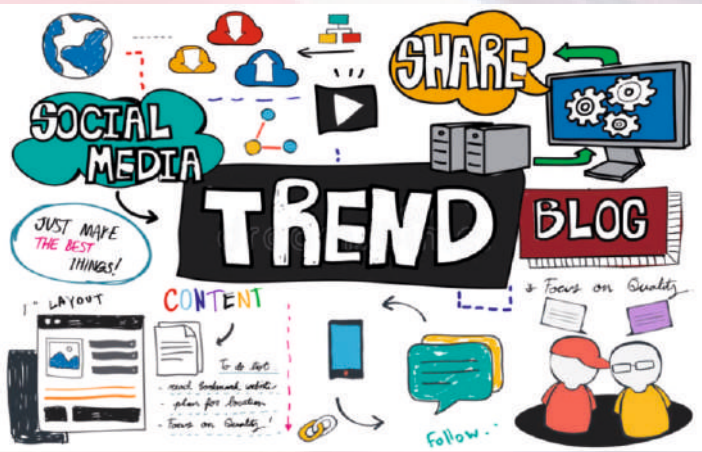

“ Greetings of the season to all our readers!

## Dear Readers

- ✦ Welcome to the EDGES Nov 23 Edition. We are excited to embark on a journey of innovation in a digital world. In today's rapidly changing landscape, we must equip our students with the skills and knowledge they need to excel in a technology-driven society.
- ✦ Our commitment to innovation includes embracing digital tools, resources, and educational technology to enhance the learning experience. We're dedicated to fostering critical thinking, creativity, and digital literacy among our students.
- ✦ In this edition, we are focusing on interactive learning and digital resources, online learning and innovative projects.
- ✦ We are committed to striking a balance between the traditional values that have always been at the core of our school and the innovative opportunities that technology brings. We aim to provide a well-rounded education that prepares students for success in this digital world while nurturing their character and values.
- ✦ We welcome your input, support, and collaboration as we move forward. Together, we can ensure that JPS remains a place where innovation and tradition coexist harmoniously, preparing our students for a bright and promising future.
- ✦ I look forward to an exciting subsequent growth, learning, and achievement edition. Thank you for entrusting us with your children's education. Let's embark on this journey of innovation together.
- ✦ We are always interested in hearing your views. We invite articles on the topic '**GIVING BACK TO THE SOCIETY**' for our next issue of the newsletter. If you have any comments about the newsletter, or if you'd like to tell us about what's happening at school, please email us at [principal@jpschennai.org](mailto:principal@jpschennai.org).

## SCHOOL INNOVATION IN A DIGITAL WORLD

### Harnessing the Power of Technology in Education

#### Introduction

In an era of unprecedented technological advancement, education is undergoing a profound transformation. Jain Public School We believe that embracing innovation and technology is the key to preparing our students for a future filled with exciting opportunities. We have embarked on a journey to integrate interactive learning, digital resources, online learning, and innovative projects into our educational framework, ensuring that our students are equipped to thrive in the digital age.

## Interactive Learning

Interactive learning is at the heart of our educational approach. Our teachers are harnessing the power of technology to create dynamic and engaging lessons that captivate our students' imaginations. Whether it's through interactive simulations, virtual field trips, or collaborative projects, we are making the learning experience more immersive and exciting than ever before.

## Digital Resources

The availability of digital resources is a game-changer for our students. They have access to a vast array of high-quality educational materials and online platforms that cater to their unique learning needs. From e-books and educational apps to multimedia presentations, these resources empower our students to explore, discover, and delve deeper into their areas of interest.

## Online Learning

The digital age has also brought about the flexibility of online learning. Our commitment to providing online learning opportunities ensures that students can access educational content from anywhere. This approach allows for a personalized learning experience that accommodates diverse learning styles.

## **Innovative Projects**

*Innovative projects are a cornerstone of our curriculum. We challenge our students to apply their knowledge and creativity to real-world problems. Through initiatives like coding clubs, science competitions, and community service projects, we are cultivating critical thinking, problem-solving, and leadership skills that will serve them well in their future careers.*

## **Conclusion**

*As we continue our journey of educational transformation, we're dedicated to providing a well-rounded education that embraces the best of tradition and innovation. At JPS, we're preparing our students not only to thrive in the digital world but also to lead and shape it. We invite you to join us in this exciting endeavor, and we look forward to witnessing the growth, achievement, and boundless potential of our students in the coming academic year. Together, we can ensure that our students are equipped for success in a world that is constantly evolving.*

## Discipline

is the key to unlock  
the ABCs of success in life

## **OVIYA A**

**Description on Maa Siddhidatri**

**Every festival day has a unique colour and deity attached to it. Our JPS young girls beautifully dressed captured the significance of all the nine days of Navaratri conveyed the message in the form of worship in video recording.**

# Ayudha Puja Celebration

**Ayudha Pooja at the end of Navaratri was celebrated with great enthusiasm. Our Beloved Principal & SAO honoured all the supporting staff and drivers by giving them Tambolam and Prasadam.**

# VIJAYADASHAMI CELEBRATION

**JPS went into a festival mood, this month with the celebration of Navarathri in a grand manner. With 'Aksharabhyasam' on this day a vibrant prosperity spread around the campus.**

**We witnessed the beautiful coordination between the mothers and their children.  
The event took place for about an hour, but the taste of it will last forever.**

# VAYAL Field Trip

## Out Door Learning

**We believe in delivering a holistic approach to our students in educating them. Despite the ongoing classroom sessions, we wanted our students to have more fun and physical activities without compromising on knowledge delivery. Hence this exposure visit to vayal.**

**Students were exposed to huge range of educational fun activities like ploughing, bullock cart rides, poultry, crop cultivation, milking, and many more. Above all, students understood the concept of “farm-to-table” and the important food resources.**

# Halloween Day CELEBRATION

**It is primarily a fun day for children. Children dress up in costumes like people did a thousand years ago. But instead of worrying about evil spirits, they go from house to house. They knock on doors and exclaim "trick or treat." The owner of each house then hands over some candy to each little visitor!**

# ARTS & CRAFTS

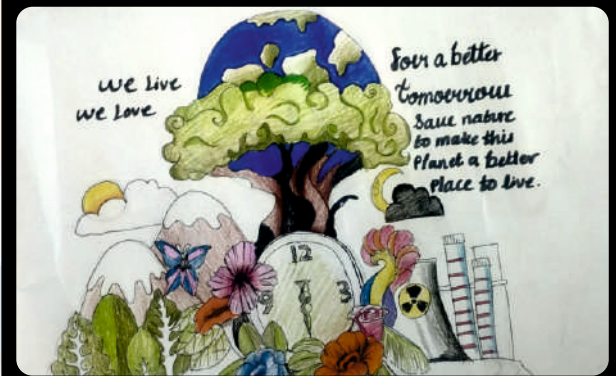

"In crafting there are no mistake just unique creations"
